These floor plans are indicative only and were prepared before the completion of the design, engineering and construction elements of the project. Prospective purchasers should not rely upon the floor plans as they are subject to change in relation to areas and dimensions, floor layout, design, engineering, fittings and specifications. The areas and dimensions set out in the indicative floor plans are calculated using the Property Council Method of Measurement for Residential Property current at the date of preparation of the floor plans. Prospective purchasers should make their own enquiries and obtain their own independent legal advice in relation to any contract of sale to be entered into regarding the property.
